BIG THANK YOU FROM THE STOLLERY HOSPITAL CHILD LIFE DEPARTMENT!

Attached is an email I received from Terry at the Stollery Hospital, after receiving all of the donated product after our swap meet. Please note we collect unwanted scrapbook and stamping supplies all year long, and donate to the Childlife Department regularly. This is a great cause and is appreciated so much by the families with children at the hospital. She wanted to make sure I passed it on to thank all of you who have donated so graciously!

Dear all fellow scrapbookers who donated so generously to the Stollery Children's Hospital:

I have not even begun to unload or organize all the boxes and bags you donated to our children and families, there are SO many! It will be exciting to sort through all the goodies you have sent to us. The patients and their families love to look at our new supplies and carefully choose what they can use to create their own memory pages, books and cards. I am grateful that we are recipients of your kindness once again, you have made many a child happy here at the Stollery! Thank you

Sincerely,

*Terry Fraser
